## Report on a workshop on "What to do after Graduation" held on June 6, 2022

On June 6, 2022, a workshop was conducted on "What to do after Graduation" by Arijit Kundu and Ashraful Haque. The workshop was attended by students in their final semester, who were eager to learn about their future plans after graduation. The event was inaugurated by Dr. Soma Mukhopadhyay, who delivered a lecture on the importance of planning for the future.

The next speaker, Mihir Kumar Mandal, discussed the significance of having a future plan and how it can help students achieve their goals. Arijit Kundu, the third speaker, focused on time management, planning, and routine, highlighting the importance of these skills in achieving success in any field. Finally, Ashraful Haque talked about various competitive exams that students can take after graduation to further their careers.

Overall, the workshop was informative and helpful for students who are about to graduate and are uncertain about their future plans. The speakers provided valuable insights into different aspects of planning for the future, including time management, goal-setting, and competitive exams. The event was well-received by the attendees, who appreciated the speakers' advice and guidance on their future paths.
