Ref. Report on one-day workshop on 'Body Language, Communicative Skill & Personal Grooming' in collaboration with Geometry Global Pvt. On 20th March, 2019

On 20th March 2019, a one-day workshop on 'Body Language, Communicative Skill, Personal Grooming' was organized in collaboration with Geometry Global Pvt. The aim of the workshop was to enhance the participants' communication skills and professional appearance. The workshop covered three main topics: Body Language, Communicative Skill, and Personal Grooming. The facilitators for the workshop were experienced professionals in their respective fields. The session on body language covered the importance of non-verbal communication and its impact on professional communication. The participants were taught about different body language cues such as eye contact, posture, gestures, and facial expressions. The session also included role-playing activities to help the participants understand how to use body language effectively in various professional situations. The communicative skill session covered various aspects of effective communication such as active listening, speaking clearly and concisely, and using appropriate language and tone. The facilitator also conducted group activities and simulations to help the participants practice effective communication. The personal grooming session covered the importance of personal appearance and grooming in professional settings. The facilitator provided tips on personal hygiene, dressing appropriately, and maintaining a professional appearance. The participants also received individualized feedback on their personal grooming habits. The workshop was well-received by the participants. The majority of the participants found the workshop to be informative and useful. Many participants expressed that they found the role-playing activities and simulations to be particularly helpful in understanding how to use body language and communication skills in real-life situations. The feedback on the personal grooming session was also positive, with participants appreciating the individualized feedback they received. Overall, the one-day workshop on 'Body Language, Communicative Skill, Personal Grooming' was successful in achieving its objectives. The participants gained valuable knowledge and skills that they can apply in their professional lives. The workshop was a collaborative effort between the organizers and facilitators, and the feedback from the participants suggests that it was a worthwhile endeavour.
